LEMON GROVE REVIEW

Vol. 19, No. 30 | Lemon Grove, California | Thursday, February 23, 1967 | Phone 469-0101 | Ten Cents

INSTRUCTIONAL PROGRAM — As a preview to the Lemon Grove Fire Department's newly inaugurated baby-sitters informational program, designed to instruct baby-sitters in proper procedures of child care, Fire Inspector John Ott supervises as sitter Tina Collier exchanges 'toys' with 4 year old Marty Scanlan. Tina substitutes the sharp object with a coloring book. Marty is the son of Mr. and Mrs. Thomas E. Scanlon, 1011 Osage Dr., Spring Valley.

Baby Sitters' Training Program Designed to Reduce Home Hazards

A baby-sitters informational program inaugurated by the Lemon Grove Fire Department and sponsored by the Vogue and Junior sections of the Lemon Grove Woman's club gets under way March 2.

In the program, junior high school youngsters will be taught proper procedures and safeguards while on baby sitting assignments, according to Fire Inspector John Ott.

The clubwomen will teach baby-sitters ways to entertain their charges—such as making paper hats and other diversionary activities.

A member of the sheriff's department will instruct in the action to take in case of an attempted house entry, or when a peeping tom intrudes.

One session will deal with first aid; another with child care, and one with home safety, which includes fire precaution.

Inspector Ott, together with Frank Loftin, local insurance-man, designed "Baby-sitters Instruction" notepads on which the parent writes in the family doctor's' name and telephone number; the fire department and the police department telephone number. The note also has a space for the family to write the name and address of the place they will be, and the telephone number there.

"Then, if anything irregular occurs that the youngster can't handle she may call the appropriate number," Ott said.

Classes will be held at Palm and Lemon Grove Junior high schools and in the junior high school grades at St. John of the Cross school.

More than 240 youngsters have already signed up for the courses, Ott said. "We have two boys in the class so far," he said.

The course is free of any charge and youngsters will receive an appropriate diploma upon graduation.

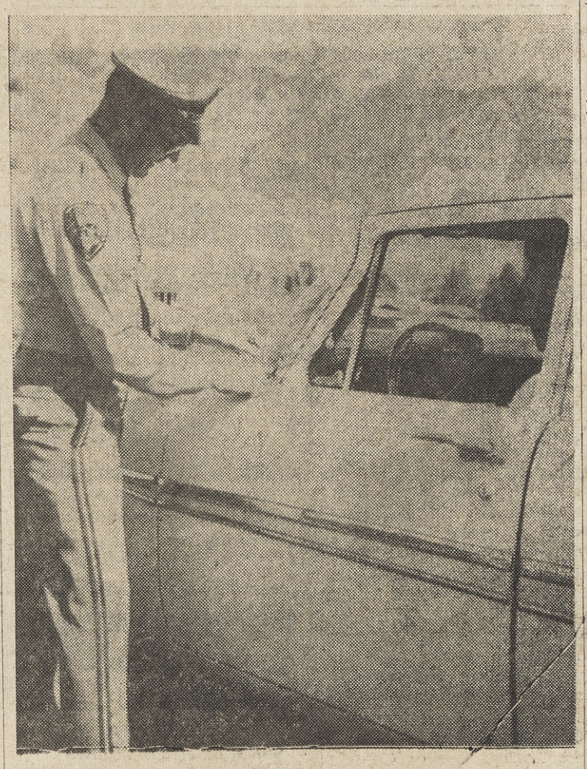
Classes will be restricted to students of the seventh and eighth grades," Ott said. "We had anticipated about thirty students taking the training but the response has been so enthusiatic that we had to control the attendance. That is why only seventh and eighth graders are invited to the first one."

Ott said that he was hopeful of providing courses for under seventh graders later. "We have to find someone who will sponsor the course financially," he said.

About $250 covers the cost of furnishing diplomas, the notepads and paying for secretarial and stationery expenses, Ott said. The expenses for this one is covered by contributors.

The courses will be one day a week, one hour each class over a six week's period.

Boys are welcome, too, Ott said.



CIVIC SERVICE — Upon passing a vehicle inspection by the California Highway Patrol, Olita Highsaw, 644 Rytko St., San Diego, is commended by CHP officer Paul Kabulnicky and is given a safety inspection sticker. The sticker indicates that Mrs. Highsaw's vehicle, when stopped at Alton and Skyline Sts., in Lemon Grove, Thursday, was found to be "safe.' The automobile safety check included inspection of horn, windshield wipers, location of mirrors, steering, brakes, tires, lights, mufflers, smog devices, and auto glass. The vehicle and drivers' licenses were also scrutinized at this time, for expiration date and validity.

Measles Clinics Ready At Two Schools Sunday

Saturday and Sunday the San Diego County Medical Society, in cooperation with the County Health Department and various schools, will put up the first coordinated roadblock against measles. Measles vaccination clinics will be held at designated schools.

In Lemon Grove and Spring Valley vaccination clinics will be held Sunday only from noon until 4 p.m.

Every child, ages 1 through 9, should be immunized unless he has had regular (8 day) measles or has already had a measles vaccination. Children do not need a second vaccination. The vaccination process is by high air pressure instead of by needle. Fear of the needle need not keep any child away.

School children will get a registration form similar to the one printed herewith. The reason for reproducing the form is so that families with sub-school age children may take advantage of the clinics.

In Lemon Grove the clinic will be held at Golden Avenue school. In Spring Valley it is at Bancroft school.

Parents are requested to contribute $1 for each child to defray part of the clinic's cost, but no child will be refused because of lack of money.

Clip the registration form and bring it with the child to be vaccinated against measles to one of the clinics.

REGISTRATION FORM

Parent or Guardian .....

Street ..... City .....

Zone or Zip Code ..... Telephone No. .....

Names of Children to be Immunized — Age — Grade if in School

.....

.....

.....

I hereby state that I have read the above information and that I am the PARENT or GUARDIAN and I request that measles vaccine be given to the above children.

SIGNATURE .....

Parent or Guardian

Donations are not required but $1.00 or less per child will help meet part of the costs.

Cub Scout Pack 378 Hosts New Scout Den

Den 2, the new member of Cub Scout Pack 378, was hosted at the pack's joint meeting at 7:30 p.m., Feb. 17, at Kempton Elementary School.

Highlighting the evening's activities were a puppet show and cake raffle.

Members of Den 2 include: James Stevens, 8826 Orville St.. Ronnie and Richard Gonzales, 532 Conception; Michael Hodges, 526 Felicita; Bobby LeMaster, 635 Thayer, and Luis Tachiquin, 1305 Presidio.

Mrs. Louise Hodges is serving as den mother for the new group.

The DIMMER VIEW

by Max Goodwin

Why There is a Heart Week

When George Swerdlow, of La Mesa, took over the chairmanship of the 1967 Heart Fund, it was certain the campaign would be a strong one — and he is not disappointing anyone.

He invited members of the press aboard the Bahia Queen on Valentine's Day for a luncheon and while the Queen cruised the bay, newsmen were comfortably fed and, as a captive audience, were pumped full of heart information.

Swerdlow, a tire firm executive, plans to have 10,000 men and women calling door-to-door today through Sunday all over San Diego County, attempting to raise $204,000 for the S.D. Heart Association share of the nationwide fight against cardiovascular diseases.

Locally, five women are taking on the responsibility of sub-chairmen.

In Spring Valley, Mrs. Emma Tomlinson of 10110 Ramon Dr. and Mrs. C. R. Munoz, of 406 Conception, are serving as area chairmen.

In Lemon Grove, Mrs. G. R. Hampton, of 1601 La Corta, and Mrs. Mae Emerson, of 8006 Roy, are area chairmen.

Mrs. E. I. Phares, of 3409 Washington, Lemon Grove, is the county vice chairman.

Enlightenment came in many areas during Swerdlow's cruise—a cruise that Swerdlow paid for out of his own pocket.

Dr. James Lasry, representing the County Medical Society, said there wasn't much that could be done for adults who have drunk too much milk with a high fat content, or who have eaten too much heavily marbled meat and high fat foods over the years. Cholesterol has been deposited in the blood vesels of these people—there to remain until death comes from natural causes—or more likely from a heart condition. So now the accent is on children.

Education in the feeding of youngsters is one project of the Heart Association. This is hardly a $204,000 chore, but, according to Swerdlow, there is a long list of other projects.

Here are some:

Penicillin is provided to county residents with rheunatic or congenital heart disease at a saving of a third million dollars over retail cost.

Dial-A-Dietitian service, where specific diet problem questions are answered. A first in California.

Heart Center at Sharp and Vascular Center at Mercy hospitals, established with Heart Association funds provide the most modern diagnostic techniques.

A local Work Evaluation Unit to accurately determine a heart patients' work capacity.

Training in emergency treatment (closed chest cardiac resuscitation) given to all ambulance personnel, rescue squads and paramedical personnel.

Put together professional symposiums for physicians give assistance and training to families of children with heart victims.

Provide speakers, films, literature on cardiovascular problems.

Provide funds for research locally. Major expenditure is for this purpose.

Provide scholarships for qualifying science undergrads at S.D. County Research Centers.

Research Day programs provided at high schools to stimulate dedication to medical and scientific careers.

And, the education of all who will listen to the six health habits by which the risk of coronary artery disease can be reduced.

These are: 1. Don't smoke 2. Control weight 3. Reduce chloresterol 4. Control blood pressure, and 5. Ask your doctor.

All of this is not listed to encourage you to make a contribution against your will. But when you've read this far you'll have a better idea why there is a need for the campaign. Then if you want to participate, your contribution will be more meaningful to you.

(Continued on Page 4)

St. John of Cross Schedules Missions

St. John of the Cross Church, 8086 Broadway, Lemon Grove will host a Mission, March 12 through 18, preached by Rev. Robert J. Logrip, S.M., and

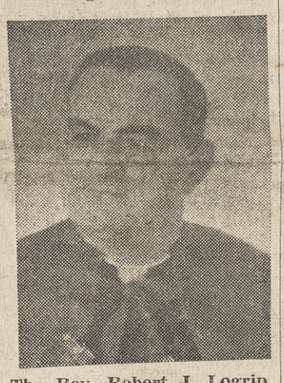
The Rev. John McGoldrick

Rev. John T. McGoldrick, S.M. of the Marist Fathers Mission Band.

Morning Masses are scheduled for 6:30, 8 and 9 o'clock with a short sermon. Devotions and Mission sermon every evening of the Mission at 7:45. The public is invited.

A Mission is a course of spiritual exercises conducted by specially trained missionaries. During these exercises, prayerful consideration is given to the great truths of eternity, to the duties and obligations of those who would be followers of Christ.

The object of the Mission is to bring back souls to God



The Rev. Robert J. Logrip

—to help the weak, to raise the fallen, to convert the sinner—in a word, to strengthen all in virtue and to bring down upon all the blessings of God.

The conclusion to be drawn is—the Mission is a time during which God pours out on all who will, the abundance of His grace; a time we need to set ourselves right with God; a time we need to prepare for eternity; a time the like of which may never again be ours.

Father Logrip spent eight years in foreign missions of Oceania in the Southwest Pacific and was engaged in parish work in the Hawaiian Islands until 1961.

Father McGoldrick, who can speak and preach in French, served the French National church, Notre Dame des Victories St. Catherine of Alexandria parish in the Hawaiian Islands, and St. Joan of Arc church in San Francisco.

He has preached in practically all Dioceses of all the major cities in the 13 western states and Hawaii.

Monte Vista Alums Set Meeting Tonight

Monte Vista High School Alumni Association will hold its second organizational meeting at 7 p.m. tonight at the school.

Larry Lake, former Monte Vista Associated Student Body president, was elected temporary group chairman at the Association's first meeting.

Disneyland Hosts Camp Fire Girls

Camp Fire Girls from all parts of California, Arizona and Nevada will enjoy "Camp Fire Girls Days at Disneyland" Saturday and Sunday, (Feb. 18-19).

San Diego County members will join with several thousand other Camp Fire Girls in the second annual event at Disneyland. Special prices have been offered to the youth organization with a bonus hour of free play before the park opens to the public, acording to Mrs. John Ackermann, council program chairman. Door prizes will be given away during the two days.

Horizon Club members from San Diego have chartered a bus for the outing and will take in the famed amusement center on Saturday. Horizon Club is the senior level of Camp Fire open to all girls from ninth through twelfth grades.

"We have several groups going to Disneyland, along with many Camp Fire families taking advantage of the special event," Mrs. Ackermann said. The girls will wear their red, white and blue service costumes while representing their organization at Disneyland.

Camp Fire Girls is a national youth organization open to all girls from seven through seventeen. The local council, 2067 First Avenue, San Diego, California—92101, is an agency member of United Community Services.

Registration Restoration Request Due By March 1st

Over 17,000 voters of San Diego County have been restored to the rolls since January 1, 1967. This represents about 16% of the 107,000 voters who were cancelled for failure to vote in the November 1966 election.

Persons who received cancellation notices may still be restored by returning the postcard request for restoration providing they still reside at the address at which they are registered. The deadline for restoration is 5 p.m., March 1.

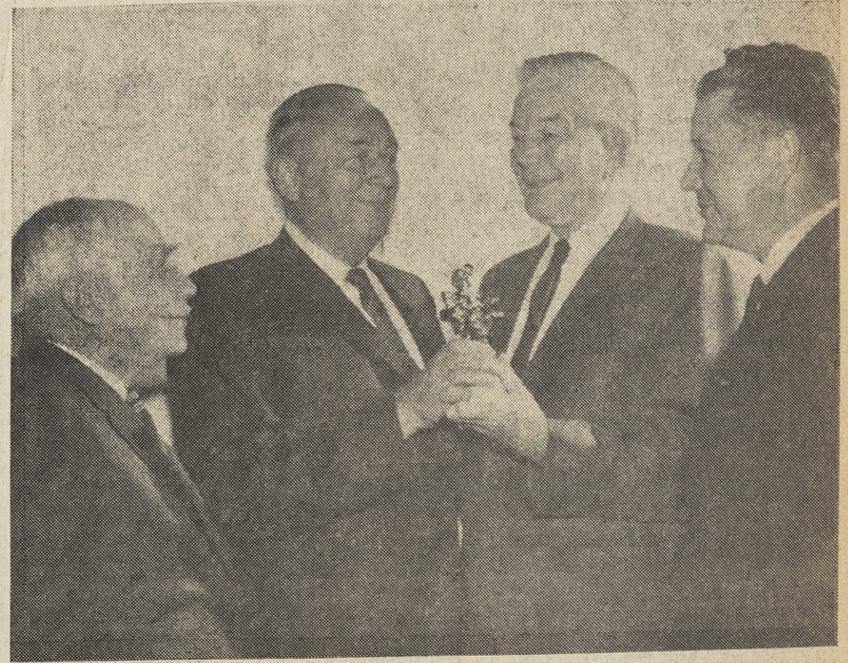
Persons who have moved must reregister in order to participate in future elections.

SDTA Raps Dr. McCandless' Appointment

The 250-member Council of the San Diego Teachers Association has registered opposition to the appointment of Dr. William McCandless to the State Board of Education.

"Teachers are concerned that the appointment of Dr. McCandless would create unwarranted schisms and promote unnecessary conflicts on the State Board, SDTA President Jim Gregory said. "It is our opinion that this county has many other men and women to offer for this responsibile position—people with superior qualifications and less questionable attitudes toward public education."

The SDTA Council is the policy-making body of the San Diego Teachers Association and represnts over 4,500 teachers in the San Diego Unified School District.



GOOD WILL MAN — Congratulating C. Rupert Linley of El Cajon, third from the left above, on being chosen Monday as the "Goodwill Man of the Year" by the Goodwill Industries, are left to right: Dr. Frank Gigliotti, of Lemon Grove, and at right, Supervisor Henry Boney. A. J. Sutherland, who was re-elected president, is second from the left above. Both Gigliotti and Boney are members of the board of directors of the charitable organization.

Read Ephesians 2:13-22

Let us draw near with a true heart in full assurance of faith. (Hebrews 10:22)

The Temple that Herod began building in Jerusalem about 20 B.C. was destroyed by the Romans in A.D. 70. It was one of the most beautiful ever known to man. But "keep out" signs were in plain view at the entrance to the second court within the Temple building. Beyond the gate into the second courtyard foreigners could not pass, on penalty of death.

All Jews, including women, could enter the second court. In the next courtyard, called the "Court of Israel," Jewish men were permitted to go. In the innermost court, priests only could enter.

Thus every court in the approach to the alter meant privileges were denied to more and more by reason of birth.

But ever since God poured out His love through Jesus Christ, all of us have the assurance that God welcomes us in love and offers His redeeming grace. Therefore, "let us draw near with a true ehart in full assurance of faith."

Prayer: Lord, since Thou hast set no barrier between Thee and us, help us, Thy children, to set no barrier of self-will, pride, or indifference between ourselves and others In the Savior's name we offer our prayer. Amen.

Thought for the day: God shuts no doors against those who would approach Him.

M. H. Lewis (Louisiana)

Ordination Services Slated for Sunday

First Baptist Church of Lemon Grove will conduct a Deacon ordination service at 7 p. m., Sunday, Feb. 26th, during the evening worship hour.

Rev. Wayne Eurich, pastor of Del Cerro Baptist Church, of La Mesa, will conduct the interrogation of the four men recently elected to the office of Deacon. They are John Belcher, Marvin Gillem, John Nauslar, and Daniel Thorne.

A reception will follow the interrogation at 4:30 in the afternoon, in the Fellowship Hall.

Rev. Robert Kleinschmidt, pastor of the church, will bring the charge to the Deacons.

"WHAT CAN YOU DEPEND ON?"

Do people let you down? Do material remedies fail? Does the pursuit of happiness and success through the conventional channels seem fruitless or disappointing, to say the least?

Don't be dismayed — there is a source of true dependability that is ever available and operative, and you can learn of this source and how to use it by attending a public lecture on this subject by Glenn L. Morning, C. S. B., a member of the Board of Lectureship of The First Church of Christ, Scientist, in Boston, Massachusetts.

Christian Science Lecture

CHRISTIAN SCIENCE SOCIETY

3 p.m. Masonic Temple

2590 Main St., Lemon Grove

Sat., February 25

Admission Free — Everyone Is Welcome

Glenn L. Morning

Christian Science Society To Hear Guest Practitioner

The Christian Science Society of Lemon Grove will sponsor a lecture, entitled "What Can You Depend On?" at 3 p.m., Feb. 25, at the Masonic Temple, 2590 Main St., Lemon Grove.

Delivering the talk will be guest speaker, Glenn L. Morning, C.S.B., of San Francisco.

Morning is a recognized teacher and practitioner of Christian Science, whose interest in the religion began while he was a student at Drake University in his native Iowa. He later did graduate work in piano and composition at the American Conservatory of Music in Chicago, and traveled widely as a concert pianist and theater musician.

In 1955, Morning began devoting full time to religion and was officially accredited in Christian Science healing ministry. He is now on tour as as member of the Board of Lectureship of The First First Church of Christ, Scientist, in Boston, Massachusetts.

Society Slates Church Meeting

The Women's Missionary Society of the Casa de Oro Baptist Church, will hold their regular meeting at 7 p.m. Feb. 23 in the church. Mrs. Henry Maxwell, White Cross chairman, will be in charge. It will be a White Cross meeting and many articles for the Baptist General Conference medical missionaries (and others) will be made at the meeting.

On Feb. 27, the church will send representatives to serve refreshments and council at the San Diego Servicemen's Center.

Three groups of the church recently enjoyed a time of fellowship.

The Hign School Sunday School class met Feb. 17 for miniature golf and then returned to the church for a pizza supper.

The Men's Fellowship helu its potluck dinner, Feb. 21, in the church social hall.

And the High School Youth group met Feb. 21, for bowling, which was followed by a "George's Birthday" party at the church.

Mrs. Gearhart's Funeral Services

Funeral services were held at 12:30 p.m., Friday, Feb. 17 at Wee Kirk of The Heather Memorial Chapel, at Forest Lawn Cemetery, Glendale, for Mrs. Jacqueline Gearhart, 36, of 1522 Larwood Rd., Lemon Grove, who died Feb. 12 at College Park Hospital. Interment was in the Court of Freedom, Forest Lawn.

A native of Oklahoma City, Mrs. Gearhart had resided in Lemon Grove for two years, having previously lived in Canberra, Australia, while her husband, Lt. Tremaine Gearhart, USN, was attached to the U.S. Embassy in that city.

Survivors include her husband, Tremaine, and three children; Michael David, 20; Sandra Kay, 6; and Jeana Elizabeth, 4; her mother, Mrs. Etta Solver, of Bakersfield and nine brother and sisters. They are: sister, Mrs. Toy Landress; Mrs. Glenna Alexander; Mrs. Peggy Fuller; Mrs. Jerry Hapr and Mrs. Pat Marsh; and four brothers, Dick, Aubrey, Roscoe and Wesley.

Activities Calendar For Trinity Church

Following is the calendar at Trinity Presbyterian Church, for the week of Feb. 23-Mar. 1.

Thursday, Feb. 23. Chancel choir at 7:30 p.m.

Saturday, Feb. 25. Windjammers (young married), meet at 6:30 p.m. Pastor Dick Adams will speak. At 7:30 p. m. the Syads will meet at the pastor's house.

Sunday, Feb. 26. Worship at 8:30 and 11 a.m.; Church School at 9:30 and 11 a.m.; coffee fellowship at 10:30 a. m.; Senior Highs and Adult Bible study at 7 p.m.

Tuesday, Feb. 28. The Circles will be meeting in various homes.

Wednesday, March 1. Prekindergarten teachers will meet at 6:30 p.m.; and at 8 p.m. there will be a deacons meeting.

Narcotics Addiction Is Topic at Church

The Rev. Paul Friedmann of the Narcotic Educational Foundation of America will be speaker at the Bancroft Baptist Church, 2300 Bancroft Drive at Tyler St., Spring Valley, Sunday at the 7 p.m. service.

Approximately 20% of the narcotic problem of our nation exists in the State of California and Southern California is rapidly emerging as the number one narcotic problem area in the country, according to Rev. Friedmann. Many are becoming concerned because of the recent problems in the high schools of our county, he said.

Government statistics reveal the existence of tens of thousands of heroin addicts in our nation. Numerous other substances and derivatives also cause addiction and habituation, he claims.

Fifty percent of the crimes in metrolpolitan areas of our country are committed by addicts who are desperately trying to support their addiction. This illicit traffic is considered a constant threat to our youth and a growing menace to every community in our nation, Mr. Friedmann says.

Included in the presentation will be a twenty minute sound film "Narcotics: A Challenge."

According to the Rev. Lewis E. Ginn, pastor of the church, it does not appear there is any single or simple solution to this problem at the present time. Education and prevention is considered to be the major front and best cure, he said, and will lead to additional controls.

Potluck Dinner Set By Foothills Church

Foothills Methodist Church will hold a potluck dinner and "Mission Festival" at 5 p.m., Feb. 26, at the church. Richard Shanor, director of Metro, the Methodist organization dedicated to helping needy families of the greater San Diego area, will be the guest speaker.

SV Friends Community To Hear Missionaries At Area Headquarters

The two Circles of the Spring Valley Friends Community Church, Bancroft and Kenwood Drs., Spring Valley, will meet at 11 a.m., Feb. 24.

Jack Palmer, senior probation officer of San Diego and director of Life Line camp of Youth for Christ, will be the guest speaker.

Mr. and Mrs. Homer Sharplers, parishoners of Friends Community Church, now serving on the mission field in Central America, are currently home on leave and will be the guests of honor at the 11 a.m. Sunday worship service.

The Sharplers will speak at the service, telling of their missionary work in Central America, and the agricultural program inaugrated by the missionaries to upgrade the living level of the Chori Indians.

Merton Guinup's Services Held

Funeral services were held for Merton Guinup, 71, of 2630 Grange St., Lemon Grove, at 2 p.m., Feb. 21 at Cypress View Mortuary, who died Feb. 11 at El Cajon Valley Hospital.

A native of New York, Guinup lived in San Diego County for 37 years. He was an Army sergeant in World War I.

Surviving Guinup is his sister, Mrs. Addie Boylan of Lakeside.

Entombment was in Cypress View Mausoleum.

Mrs. Ethel Stout's Funeral Services

Funeral services for Mrs. Ethel Stuot, 74, of 4579 Third St., La Mesa, were held Feb. 20 at Greenwood Mortuary, with cremation following. Mrs. Stout died Feb. 12 in Grossmont Hospital.

A native of Ohio, Mrs. Stout lived in San Diego county for 32 years. She was a correspondent for the La Mesa Scout newspaper and was a charter member of the La Mesa Writers' Club.

Mrs. Stout is survived by two cousins in the Los Angeles area: John and Julius Pepping.

Mrs. Moriarty's Funeral Rites

Private funeral services for Mrs. Ella Moriarty, 87, of 923 Rangeview St., Spring Valley, were held Feb. 17 at Erickson-Anderson Mortuary, La Mesa, with cremation following. She died at San Diego Convalscent Hospital, Feb. 14.

A native of Michigan, Mrs. Moriarty lived in San Diego county 54 years. She was a member of the Ranch Branch of ehe Unitarian Church and the Woman's Society of Christian Service.

Survivors include four daughters; Mrs. Bertha Strong, Spring Valley; Mrs. Elise M. Gilham, Spring Valley; Mrs. Dorothy F. Granelle, Redwood City; and Mrs. Margaret Hooks, Trinity Center; one sister, Mrs. Mabel Traxler of Bryon, Tex.; a brother, John Barnett, of Longmont, Colo.; seven grandchildren, and 11 great grandchildren.

Rev. Millspaugh to Discuss Promise of Christ - Sunday

"The Great Promises of Christ," will be Rev. Robert Millspaugh's message at the 11 a.m. Sunday worship services at the First Baptist Church of Spring Valley, 8758 Troy St.

Pastor Millspaugh will speak on "Science and the Bible," at the 7 p.m. service. Immediately following the evening service there will be a "Welcome to New Members" party in the Fellowship hall.

Pastor and Mrs. Millspaugh, 10460 Loma Rancho Dr. will host a party for the young people of the parish on Feb. 25.

The School of Missions program, sponsored by the Church, terminated Feb. 19 with a 5 p.m. potluck. Following the dinner, a panel discussion was held.

Mrs. Joseph I. Bodenstadt

Gosselin-Bodenstadt Vows Exchanged at Nuptial Mass

Miss Sally Edith Gosselin, daughter of Mr. and Mrs. Hervey Gosselin, 2336 Di Foss St., Lemon Grove and Joseph Ira Bodenstadt, son of Mr. and Mrs. William Bodenstadt, 4227 69th St., La Mesa, were joined in matrimony at a double ring ceremony, at 11 a.m., Feb. 4, at St. John of the Cross Catholic Church, Lemon Grove. Father Pinta officiated at the Nuptial Mass.

The bride, given in marriage by her father, chose a white lace sheath with a cathedral train, and an elbow length veil, held by a pearl cluster.

The briday party, including the bride's four sisters, wore empire gowns of burgundy on pink, with a crepe-velvet fabric combination. The Matron of Honor was Mrs. Susan Brown, and the bridesmaids were Mrs. Sandra Belsky, and Lorraine and Jeanette Gosselin.

Best man was Keith Thornton and ushers were Raymond Taylor, Ronald Wood, and William Bodenstadt.

A reception, immediately following the wedding ceremony, was held at St. John of The Cross Catholic Church hall.

A second reception was hosted by a sister of the bride, Mrs. Susan Brown, at 283 Meadowcrest Dr., Fletcher Hills.

Out-of-town guests included Charles Hervey Gosselin, brother of the bride, who surprised everyone by coming from Long Beach, Miss., and Roger Charles Gosselin, of Plainfield, Conn., who played the organ and sang at the wedding of his niece.

The bride is a graduate of Rosary High School, San Diego.

Bodenstadt, a graduate of St. Augustine High School, has recently completed his apprenticeship as a brick-layer, and is employed by Belden Thompson & Son, San Diego. Bodenstadt placed 2nd in an all-California brick laying championship last year.

After a Las Vegas honeymoon, the couple is residing at 2558 Skyline Dr., Lemon Grove.

"If a house is divided against itself, that house cannot stand."

Mark 3:25

This verse was good for the Bible, good for President Lincoln, and is still good for you and me today. It is difficult for many people to understand why the Chiropractor seeks to correct functional and pathological disease in vital organs by adjusting the spine. He adjusts the spine to improve its structural integrity, thereby removing possible distortion between the central nervous system (brain and spinal cord) and the organs, knowing that if vital energy is not properly delivered to those organs they cannot function properly. This is not a principal recognized by chiropractors alone. It is a physiological fact readily admitted by all schools of healing. Where the condition of the spine is such as to cause interference with the delivery of vital energy, determined by a chiropractor, it is useless to apply palliative (concealing) measures in an effort to stimulate or inhibit normal action. Such procedure merely seeks to relieve the effects. It does not correct the cause. Patch up the sore spots all you will, they still remain sore spots unless the cause for their existence is corrected. Dose the system all you will with medicine to stimulate or inhibit, permanent cure cannot be thus achieved. The power for normal action comes from within The ability to cure lies within and cures are made by free and natural expression of the internal vital nerve energy.

Your health problem may also respond to chiropractic adjustments. Consult the chiropractor of your choice.

George P. Koutumas, Chiropractor
Lemon Grove, Calif.

Luncheon to Benefit Arthritis Foundation

The Lemon Grove Woman's Club will sponsor a noon luncheon, Mar. 2 at the clubhouse, 2810 Main St., Lemon Grove, with proceeds being applied to the San Diego Chapter of the Arthritis Foundation for Research.

Mmes. Wiliam Sayward, E. I. Phares, and Orville Reese are in charge of reservations.

Brownies Meet French Student

"Thinking Day Thoughts Go Near and Far to Sister Guides Wherever They Are," was the theme for Brownie Girl Scout Troop 423, when they greeted their guest, Claude Petit, an exchange student from France who attends Mount Miguel High School.

The Brownie troop, led by Mrs. C. McClendon of 9310 Vista Drive, chose this day to receive their World Friendship pins.

Every girl will remember the thrill as Claude presented each with her new pin and spoke a few words of congratulations in her native French language.

Some French words were learned and songs were sung. Questions were asked about France by inquisitive Brownies. Each Brownie prepared a page to a memento book which was presented to Claude. An autographed memento was taken home to be cherished by each of the Brownies. In their own special way, these Brownies opened their hearts to a new friend and her far-away country on Thinking Day.

SD Symphony to Host Japan's Famed Philharmonic Conductor

Akeo Watanabe, conductor of the Japan Philharmonic Symphony Orchestra, will be the guest conductor of the San Diego Symphony, March 3, in the Civic Theatre for the next in the winter series of Symphony concerts.

Soloist for the performance will be one of America's pre-eminent musical products, Joseph Fuchs, who will perform the Concerto No. 1 in G Minor by Max Bruch.

The first half of the program will consist of Robert Ward's "Jubliation—an Overture", Toshio Mayuzumi's "Essay for Strings", and the Bruch Concerto.

Watanabe has been the conductor of the Japan Philharmonic since he and Shigeo Mizuno, director of the Nihon Cultural Broadcasting System, Inc., created this orchestra in 1956. Along with his duties as a conductor, Watanabe devotes his time and energy to the Tokyo University of Arts, where he is currently Principal Professor. In 1958, the Government of Finland awarded Watanabe the Order of the Finnish Lion, Knight of First Class for his service to Finnish music in Japan.

Fuchs gives San Diego the opportunity to hear one of the finest of today's American artists. He is noted both for his interpretations of the classics and for his espousal of contemporary works. He has, in addition to concertizing, done a 3-year Television Series, "Sonata", for Boston's WGBD-TV and a President's Program tour of Latin America for the State Department. Mr. Fuchs also appeared with the New York Philharmonic during the Opening Week Concerts in Philharmonic Hall.

Tickets are available for the performance and may be obtained at the Civic Theatre Box Office at 3rd and B streets in San Diego. For information call 236-6510.

Job's Daughters Fete Parents' Night Feb. 1

Bethel no 229 of the International Order of Job's Daughters honored sixty parents at the Feb. 1 Parents' Night.

Past Master Councilor of the Lemon Grove Chapter Order of Demolay, assisted by chapter members, performed the ceremony known as The Flower Talk.

Teachers' Panel To Consider Tuition Charges

A public meeting on the crises in higher education in California will be held on Friday at 8 p.m. in the auditorium of the Horace Mann Junior High School.

A panel of educators will discuss the effects of the proposed budget cuts and student tuition on the education system. Specific subjects to be reviewed include effect on property taxes, quality of education, admission of new students, and teacher recruitment

Speakers include Dr. Avrum Stroll, Professor of Philosophy, UCSD, William Broadbent, Instructor of Political Science, Mesa College, and Larry Schwartz, Instructor in History, San Diego City College.

The meeting is open to the public and there is no admission charge. It is sponsored by the Committee on Education of the San Diego Democratic Clubs. The Horace Mann School is located at 54th and Trojan, one block south of El Cajon Boulevard.

Coronary heart disease deaths are 63 per cent greater in cigarete smokers than in non-smokers.

ENGAGED — Mr. and Mrs. Ronald A. Lane, 8812 Kelburn Ave., Spring Valley, announce the engagement of their daughter, Sandra Ann to Christopher W. Miller, son of Mr. and Mrs. William Paul Miller, 2336 Loma Dr., Lemon Grove. The bride-elect, a graduate of Mt. Miguel High School, attended City College and plans on furthering her education at Pacific College for Dental Assistants. Miller, a Mt. Miguel graduate, currently attends San Diego City College. No date has been set for the wedding.

Woman's Club Slates Spring Fashion Show

"Wandering Down Wisteria Lane in Spring Fashions," an old-fashion style show dating from 1841 to contemporary times will be presented by the La Mesa Woman's Club, at a noon luncheon Mar. 27, at the La Mesa Woman's clubhouse, 5220 Wilson St., La Mesa.

Mrs. James L. Spellman is general chairman, and Mrs. A. B. Stewart, co-chairman will be assisted by Mmes. Winston Tagney, Fred Waters, and W. R. Ballard.

Mrs. Arthur Gillespie, 3145 Sweetwater Rd., Lemon Grove is publicity chairman.

Reservations are being taken by Miss Anna Sweetwood and Mrs. Harmon Webber.

* * *

Cancer of the bladder occurs twice as often among smokers as among non-smokers.

THE LOLLIPOPS — Left to right are Mmes: Byron Ayres, 2510 Cinderella Way; Ernest Bond, 2537 Crestline Dr.;; David Wells, 8024 Longdale Dr.; and Robert Welch, 2505 Crestline Dr., who will participate in the Mt. Vernon PTA's variety show, "Foolish Follies." to be presented after a 6 p.m. 'Dime-A-Dip' Supper, Mar. 1 at the school. Olin Martin will be master of ceremonies.

Mesa Jewel Rebekah Lodge No. 409 Schedules March Meeting

Mesa Jewel Rebekah Lodge no. 409, Independent Order of Oddfellows will meet at 7:30 p.m., March 1, at the Woman's La Mesa Club House, 5220 Wilson Ave., with Noble Grand Mrs. Martha Purdy, presiding and Vice-Grand Mrs. Velma Hall, assisting.

Mrs. Marion Emerson, chairman of the social hour to follow, will be assisted by Mrs. Huntington Fish and Mrs. Paul Hoss.

The Advancement Club will meet at 7:30 p.m., March 9, at the home of Mrs. Martha Purdy, 8655 Hayes, La Mesa.

Co-hostesses will be Mrs. Bernedine Olson and Mrs. Pennelle Adams. Mrs. Velma Hall, newly elected president, will preside at the business meeting.

The annual Spring Card Party, "Flowers of Friendship," will be held at 12 noon, Mar. 18, at the War Memorial Bldg., Balboa Park. Co-chairmen are Mrs. Wm. Redding and Mrs. Daisy Beatty.

Assisting chairmen include: Mrs. Stella Eckenroth, bazaar; Mrs. Mabel Webber, pastry table; Mrs. Dora Kaltsukis and Mrs. Huntington Fish, tickets-reservations; Mrs. Gordon Wright, Mrs. Eileen Aston, and Mrs. Pennelle Adams, door, table and special prizes; Mrs. Bernedine Olson, dining room arrangement; Mrs. Mary Baker and Mrs. Zella Weig, decorations.

Hostesses will be Mrs. Martha Purdy and Mrs. Velma Hall.

Proceeds will be applied to the philanthropic efforts of the Lodge.

'Fashion-Telling' Set by Auxiliary

The Grossmont Hospital Auxiliary will hold its sixth annual benefit fashion show and luncheon Feb. 23, at the Kona Kai Club, Shelter Island, with an 11 a.m. social hour preceeding the noon luncheon. The theme wil be "Fashion-Telling," says Chairman Mrs. Warren Schmieding of 4909 Vista Arroyo, Mt. Helix.

Reciprocity Tea

The La Presa Woman's Club will host a Reciprocity Tea 7:30 p.m., Mar. 1 at the Rancho Elementary School cafeteria, 8845 Noelane, Spring Valley.

A few days ago Bob Griggs, our Chief Engineer at the phone company, was telling me about National Engineer's Week, February 19th through the 25th. He said that on February 25th the San Diego Engineering Council will conduct a counseling seminar on the University of San Diego campus. He estimates that about 500 students will attend and will have a chance to talk to some of the outstanding engineers in the San Diego area. Bob feels this is a good way to extend a helping hand to our next generation of engineers.

Cont. from page 1

LBJ's Crime Commission is a Crime

There ought to be a suitable award—say a gold-plated crap table—for the person, if he can be found, who believes LBJ's campaign to curb crime will curb it.

Sure, the crime committee will produce a lot of figures showing the $20 billion a year profit made by organized crime ought to be taxed—and a couple of books will be written (books are in right now)—but there'll be precious little more than that coming out of the study.

It should be chronicled that LBJ's gold star commission spent $2 million of taxpayers' funds to gather material that any cop in San Diego County could have provided. The report asserts that crime exists. A cop could prove it to them over a dime cup of coffee.

The commission also projected the negative philosophy on crime when it reported "America can control crime if it will."

There, the commission has put the essence of all criminology into a trite phrase.

Why won't America control crime?

Who is the "America" who cannot overcome the inertia which exists between honest, God-fearing people and criminals?

Who nurtures the intertia so carefully?

Oh, sure. There'll be some activity. They'll knock off some guys whom the syndicates are willing to sacrifice to the cause—but they'll not lay a finger on the big boys.

It isn't as if these criminals are ghosts who can appear and disappear at will. They are flesh-and-blood humans and almost every one of them is known by his local police department and his local politician.

The exact point where crime is given its life and where it is fed and sustained is where lawmen, criminals and politicians meet in agreement. Remove one of the legs of this co-operative triangle and it would collapse. There could be no sustained criminal organization without the approval, tacit or otherwise, of law enforcement. Law enforcement would wipe out crime if politicians would permit it.

The political considerations by which ultra-liberal members have been named to the Supreme Court—and the socialogical result of these appointments—the Escobido Case and others—have made criminal penalties the smallest in history and has made crime the most profitable.

Thus, there are no real mysteries concerning the wellspring of organized crime.

J. Edgar Hoover and the FBI know who the big boys are. Your local cops know who the little guys are. Organized crime could be controlled almost overnight—if the police collectively and the politicians collectively wanted it that way.

This theory was backed up Sunday during a get-together with Melvin Belli, the renown criminal lawyer who was in San Diego for the week end. Belli told us that the news media, better than a crime commission, can reduce crime in these United States.

"If you guys (newspaper people) put the heat on Hoover and on the politicians, they'll stop crime," he said.

No matter how flamboyant the approach of Mr. Belli, his logic is sound.

This is additional proof that freedom of the press should be extended rather than curtailed. And the press ought to jointly get in on the crime act and watch it wither in the spotlight of publicity and the convictions that follow.

The Lemon Grove Moose Lodge teen-age group will hold a dance from 7:30-11:30 p.m., Feb. 25, at the Lodge, 7375 Broadway, Lemon Grove. Admission is 50c stag; 75c drag. Dress is casual.

GIRL SCOUT CHATTER

By Mary D. Giacinto

Plans for an interesting year of scouting were studied and noted by about 50 adults working with the girl scout movement in District X. They trained at buzz sessions at Camp Davidson last week-end while concentrating on the best way to promote democratic practices in the troops, projects for the girls, and what they could make for "swaps". The cool and pleasant stay also had its fun-time. The leaders cooked outdoors and found out among other things what a "brown bear in an apple orchard" is. Of course there was a bonfire, song time and play too. Sunday was climaxed by an inspirational "Scouts Own". Seven Senior Girl scouts who also attended camp gave of their knowledge and of their ability. They not only cleaned their assigned areas but volunteered for additional jobs. Their leaders claim they did all this with sparkling efficiency.

Film slides of Girl Scout Camping will be shown at the Vista La Mesa School, Lemon Grove, on Thursday, Feb. 23 at 3:00 p.m. Three Girl Scout troops of that school will participate in this intertroop activity: no. 484 under Mrs. Donald L. Bender, no. 945, Mrs. Joseph Roberts, no. 649, Mrs. Thomas Ruddock. Guest speaker, Mrs. Paul McCormick will narrate the film.

Because camping is a vital part of the Girl Scout program, it was felt that the film showing the benefits of Day Camp and Eastablished Camp to the parents would be of great value to the girls in planning ahead for their camping adventure.

DMV Cites 11.6 Autos Registered in Calif.

The Department of Motor Vehicles last year registered 11.6 million vehicles to operate on California streets and highways.

DMV Director Tom Bright said recently that vehicle registrations increased 3 percent—from 11.3 milion vehicles in 1965 to 11,672,305 vehicles on December 31, 1966.

The increase in previous years was greater. In 1964, California experienced a 7.2 percent increase. In 1965, the increase was 6 percent.

Revenue from registration fees and license fees reached a new total of $364 million, up 7.3 percent from 1965. Bright explained that one-half of this total is an "in lieu" tax based on the property value of vehicles. It is returned to city and county governments.

"The increased revenue also relfects the $1 per vehicle increase in the basic registration fee, which was first levied in 1966," Bright said. The added fee was authorized by the State Legislature to pay for doubling of the number of uniformed highway patrolmen. The fee increased by another $1 per vehicle this year, and a final $1 increase will be made in 1968.

Bright said new vehicle registrations dropped slightly from 1.18 milion in 1965 to 1.15 milion in 1966. New auto registrations dropped 3.8 percent, from 890,200 in 1965 to 857,300 in 1966, while registrations for new trucks, trailers nd two-wheel vehicles increased slightly.

The heart diseases are expensive; in this country, the economic loss they cause is estimated at $4 billion yearly.

Ft. Rosecrans Expansion Probable Says Van Deerlin

WASHINGTON — Rep. Lionel Van Deerlin, D-San Diego, has predicted that Congress will move swiftly to provide funds needed to enlarge San Diego's Fort Rosecrans and four other national cemetaries.

The Defense Department, probably next month, will ask Congress for $2,140,000 for cemeterial expenses throughout the nation. Of the amount, $643,000 will be specifically earmarked for expansion of the five burial grounds.

All five of the cemeteries have either reached their capacity, or will shortly. The Defense Department has announced it will acquire 10 additional acres for Fort Rosecrans, which last September ran out of uncommitted grave sites.

Ernest C. Schanze, Rosecrans superintendent, has advised Van Deerlin that more than 500 applications for burial there have been turned down since the cemetery was closed.

The additional acreage will provide about 6,000 grave sites, enough to meet normal Rosecrans demands for only about 16 months.

Pointing out that the new space will provide only short-term relief, the San Diego congressman said he is preparing legislation to establish a Site Selection Committee on national cemeteries, with membership from both Government and major veterans organizations. His bill would also determine eligibility for burial in such cemeteries—a matter which, until now, has been largely left to the judgment of military officials.

S.V. Girl Scouts To Visit Disneyland

Fifteen Cadette Girl Scouts from Troop 620 completed a Red Cross First Aid Course recently. Their Red Cross instructor was Mrs. Richard Allen. Mrs. A. E. Ruggles, troop leader, and Mrs. Howard Abercrombie completed the course with the girls and received their adult certificates also.

Other activities of this active Cadette troop include serving at the Blue and Gold dinner of Cub Pack 356 at Rancho School. Girls who served were Joan Abercrombie, Susan Amison, Ronda Faulkner, Kathy Moore, Patty Slack and Dorothea Rhoads.

Girl Scout Day at Disneyland is Saturday and will be attended by this troop.

Parking Lights Illegal On Moving Cars

California Highway Patrol Commissioner Harold W. Sullivan reminded California motorists that it is illegal for them to drive with only their parking lights on.

During the winter months in California many drivers have a habit of switching on their parking lights in the dusky morning and evening hours.

This could be extremely dangerous because drivers approaching from the opposite direction could mistake them for the headlights, and the smaller size of the parking lights could lead them to believe the car is much farther away than it is. In a passing or left turn situation a serious acident could result from this confusion about the distance between the cars.

"There are no exceptions to this law," Sullivan said. "Parking lights must never be used alone when the car is being driven."

Miss Opal Thompson

Miss Opal Thompson to Head New Nursing Grogram at Grossmont

Selected to head the newest major program at Grossmont College, Director of Nursing Miss Opal Thompson is now busy developing curricula and brochures for the registered nursing program scheduled to start with the 1967-68 Fall semester.

Before joining the staff at Grossmont College, Miss Thompson was assistant professor of psychiatric nursing at Humbolt State College in Arcata, California. Miss Thompson brings a wealth of knowledge to her new position at the college, having had extensive experience both in clinical and classroom side of nursing. She has had general duty nursing experience including three years in the U.S. Army Nurse Corps. She has been an anesthetist, served as a staff nurse at the Veterans Administration Hospital in Palo Alto, and was first assistant director of nurses, Highland-Alameda Hospital in Oakland.

Grossmont College's new director of nursing was a clinical instructor and the educational director at the Providence College of Nursing in Oakland and a nursing instructor at Modesto Junior College in that city.

Miss Thompson received a B.S. Degree in Nursing Education from Loyola University, Chicago, Illinois and her M.A. Degree in Social Sciences from College of the Holy Names, Oakland, California. She holds a Registered Nurse's license in both Illinois and California and is a member of the American Nurses Association and the Association of State College Professors.

Miss Thompson looks forward to convening the first class of 30 to 35 prospective nurses that is expected to include several male students. "The nursing program will consist of four semesters.

Nursing students will be required to carry at least 16 units each semester with approximately 16 hours spent in the classroom and 12 to 18 hours in the clinical areas," she said. "The nursing program here at Grossmont College will be an Associate in Arts Degree program and will include general education courses as well as selected courses in the physical, social, and biological sciences.

Theory and clinical experience, involving several hospitals and allied institutions in the area, will be coordinated in order to give the students the broadest possible exposure to a variety of clinical situations prior to graduation," Miss Thompson concluded.

Prospective nursing students must be high school graduates and have successfully completed one year of high school chemistry or one semester of college chemistry including chemistry lab. Interested students may apply now, for admission to the program, in the office of the Director of Nursing on the campus. All applicants will be screened by an admissions committee with the top 30 to 35 selected for the first class convening in September.

Seniors To Try For BoA $99,000

Faculties of high schools throughout California are now selecting candidates for this year's Bank of America Achievement Awards Program.

First round winners of plaques and certificates will be announced in March.

More than a quarter million seniors in 864 high schools from Creascent City to Calexico are competing for 7,400 certificates, 2,300 plaques and $99,000 in cash awards.

Certificate and plaque winners at individual high schools are selected on the basis of scholarship, leadership, regard for others, personality, and civic responsibility. Awards are made in four general fields of study: vocational arts, liberal arts, fine arts, and science and mathematics.

Top-ranking plaque winners are eligible for semi-final competition at the zone level in April, when finalists in the four general fields are selected.

At the finals in May, top winners in each of the four general fields receive $1,000 in cash. Other finalists receive from $500 to $150 apiece.

The statewide program has nine geographical divisions and duplicate cash prizes are awarded in each division. As a result, 36 students each win $1,000, 36 win $500, 36 win $250, more than a hundred win $150, and several hundred more receive cash awards of $50 and $25.

1967 marks the 20th year Bank of America has sponsored the Achievement Awards program. Established in 1948 for Los Angeles City schools, it was expanded statewide in 1951 and has since grown to include virtually every public private and parochial high school in California.

ADDED ATTRACTION—Performers from Mt. Miguel's Feb. 22 presentation, "Music from Broadway," under the musical direction of Larry Curtis and choreographed by dance instructress, Peggy Johnson, are left to right: Linda Hawkins, 8549 Golden Ave., Lemon Grove; Terri May, 3409 Valley View Lane, Spring Valley; and Susie Collins, 7287 Central St., Lemon Grove. Curtain is 8 p.m.

Top Scholars Listed At L.G. Junior High

Second quarter report cards at Lemon Grove Junior High showed 70 top scholars among the seventh and eighth graders and 296 citizenship club memebrs. Robert Sutton, principal, said he was pleased with the high per cent of achievement revealed by the semester reports.

Six students earned solid A grades in scholarship, wining membership on the coveted A Honor Roll. They were Bruce Heitman, Mark Swanstrom, and Christine Wermuth, all of the eighth grade, and Greta Berg, Suzanne O'Brien and Katherine Savage, of the seventh grade.

The B Honor Roll, requiring a B average in all regular subjects, boasted 62 members. In the eighth grade, members included David Ammann, Megan Bascom, Stephen Booth, Eva Budzinski, Diane Cannizzaro, Ronald Cuadillo, Diana Chesnik, Steven Clay, Lisa Cornelius, David Dunn, Peggy Farness, Glenn Flores, Marvin Foye, Lori Gilmore, Andrew Griego, Paul Guynn, Marcia Jingling, Billy Just, Alan Kingsley, Sandra Kuhn, Elizabeth Laird, Loren Machart, Christine Mann, Deborah Reed, Gary Stantz, Patrick Thompson, Sherry Thompson, Frances Thunberg, Cynthia Traxler, Gail Van Vleck, and Karen Weber.

Seventh graders on the B Honor Roll included Stephen Ball, Robert Bowersox, Steven Collette, Connie Damata, Rhonda Dickey, Suzanne Dulawan, Mark Janssen, Sandra Johnston, Susan Kennedy, Nancy Kennerly, Penny La Dam, Pamela Medeiros, and Paula Novell.

Also Stephen Ondrechen, Ruth Ann Romero, James Scheidler, Karen Segawa, Christopher Smith, David Styler, Donald Touchet, Patricia Vogt, Bruce Wollitz, Alan Wolman, Linda Hansell, Marian Harper, Cynthia Lacy, Karen Schnaubelt, Rick Wells, George Thomas, Laura Roberg, Walter Jarrold, Fred Weiss and Deborah Smith.

Gold Citizenshrp Club members, all of whom received solid A's from teachers in citizenship , numbered 24 in the eight grade. They include David Ammann, Megan Bascom, Diane Cannizzaro, Diana Chesnik, Michael Dougherty, Peggy Farness, Michael Guenon, Bruce Heitman, Michael Hill, Barbara Jarrold, and Mike Kelso.

Also Alan Kingsley, Elizabeth Laird, Vicki Lambert, Christine Mann, Deborah Reed, Deborah Roy, Jeffery Sanchez, Patricia Thompson, Sherry Thompson, Frances Thunberg, Cynthia Traxler, Karen Weber, and Christine Wermuth.

In the seventh grade, the following boys and girls gained membership in the Gold Citizenship Club: Stephen Ball, Marcia Belmer, Greta Berg, Janice Burris, April Curtis, Rhonda Dickey, Deborah Drake, Suzanne Dulawan, Jeanne Gauert, Linda Hansell, Danny Hiben, Lydia Hollowell, Sandra Johnston, Steven Leveen, Patricia MacInnes, Linda Morton, Leona Andrews, Marian Harper, Rene Hendricks, and Cynthia Lacy.

Also Paula Novell, Suzanne O'Brien, Joseph Ondrechen, Kristine Reed, Lisa Rojas, Katherine Savage, Karen Segawa, Darlene Smith, Jennifer Smith, Donald Touhet, Patricia Vogt, Bruce Wollitz, and Alan Wolman.

In the eighth grade, 112 eighth graders gained the Green Citizenship Club roster, and 127 seventh graders became members. Membership requires all A and B grades in citizenship.

To The Outside World

by Kathy Powell

Senior Week was an enormous success and Anti-Litter Week was also started rolling along. M.M.'s entire student body has been asked to help in keeping the campus clean. Usually, after each lunch, the seagulls flock to the quad looking for any tasy morsel they can find. The Anti-Litter Campaign's main aim is to discourage these birds. Perhaps the theme of "Bye Bye Birdie" will give them the hint and they can fly off to some other campus.

Last Wednesday was the annual Donkey Basketball game between faculty, lettermen, and the DONKEYS!!! A round of applause should be given for the courage it took to ride some of the hired stock. There were some mighty sore teachers and students the next day. As a switch, at halftime, M.M. cheerleaders played three of the varsity basketball players, and though their form (speaking from the technical viewpoint) wasn't the best, the girls were victorious.

The time is rapidly approaching when Mount Miguel's underclassmen are going to have to start seriously considering plans for the upcoming nominating convention. Already, the poster parties have begun and feverish brows have concocted their platforms. It would seem that the competition will really be hot this year. The fight is on!

The Crucible's cast is working fast and furiously to get ready for their two performances of the play in early March. As with almost everything, the play will conflict with M.M.'s nominating convention causing the play to forfeit one of its productions. The only recourse for the public is to make an extra effort to see it on the two nights it is playing. The cast is a power-packed one and the play promises to be the same.

Yesterday, M.M.'s orchestra and stage band put on a production entitled "Music from Broadway." Included were selections from "My Fair Lady" and "West Side Story" which was interpreted dance-wise by the M.M. co-ed dance group.

Mount Miguel would like to welcome the newest addition of the Sanders family. We hear that Michelle Marie Sanders is quite a doll; but then, with a dad like Mr. Sanders, how could she miss?

Helix High's Highland Notes

by Shauna McGregor

Bibliographies, note cards, state library . . . What does it all add up to? Term paper time for senior English students! A detailed study of techniques in writing a formal research paper will be one of our chief activities this semester.

With our nominating convention coming up next Saturday, the ASB candidates are busy preparing. Mike Dennis, Mike Monahan and Bob Strickler are running for president. Vice-president candidates are Steve Boyd, Charlie Dennis and Jackie Vaughn. Running for Secretary are Roxanne Hart, Crickett Mason, Cindy Tam and Steve Wrightson.

It seems that even though Valentine's Day is over, love is still flourishing on the Helix campus. For the last few weeks, there has hardly been a day go by that some happy girl hasn't come to schoo' wearing a beautiful engagement ring.

Cheerleader elections were held last week. Dee Dee Brown, Jan Campbell, Chris Coover, Peggy Herzick, Nancy Sandstrom, Robin Zulauf, Mike Kennedy and Don Limpic will be leading cheers and promoting spirit next year.

Junior varsity cheerleaders are Susie Baker, Tisha Burns, Jill Kuykendall, Kathy Natoles, Linda Sullons and Chris Young.

Joseph Smith Is Candidate To Annapolis

Joe Smith, son of Mrs. Judy B. Smith, 7688 Lemon Ave., Lemon Grove, and a senior at Helix High School, has received a nomination to Annapolis Naval Academy.

Joe was recommended by Congressman Lionel Van Deerlin on the basis of scholarship, extra-curricular activities, and standardized list scores.

If he is accepted, Joe will attend classes at the Academy for four years and then serve as an officer for another five years.

During his four years at Helix, Joe has participated in football, basketball, wrestling, track, and tennis.

He is currently serving as Senior Class vice-president and has also served on various class committees. Last year Joe served as a graduation assistant, which is an honor given to the top students in their class during their junior year.

Joe's plans for the future include a career in engineering. He plans to attain a degree in engineering and math.

His acceptance into the Academy now depends on his Scholastic Aptitude Test scores and a careful reviewing of his extra-curricular activities.

Upon acceptance Joe will undergo extensive medical and physical examinations.

"I feel that this is a great honor and that it would be a wonderful experience being part of Annapolis traditions, Joe said.

Skip Laws Named President of L.G. Jr. Hi Student Body

Skip Laws, eighth grade student at Lemon Grove Junior High, was elected student body president last week after a spirited primary and general election campaign at the school. He will preside over student council meetings during the second semester.

Skip Laws

Elected at the same time were Jefferey Boutelle, vice president; Elizabeth Laird, secretary; and Mark Swanstrom treasurer. Ali are eighth grade students.

Students at the school cast ballots for sixteen candidates following a general assembly at which all office seekers addressed the voters.

Retiring officers of the student body, who served the school during the first semester, were Lisa Cornelius, president; Patrick Thompson, vice president; Martin Rosenberger, secretary; and Julia Yamashita, treasurer.

Thomas Brogan, seventh grade social studies teacher is faculty advisor to the group.

Dance Set

Santa Sophia's CYO will hold a meeting and dance from 7-9 p.m., Feb. 26 at the parish hall, 9800 San Juan St., Spring Valley. The Carnemen will provide the music. Admission is 50c.

TOWN NEWCOMER — Standing beside a backhoe is Ben Blair, general manager of Construction Rentals Co., 7316 Broadway, Lemon Grove. The new Lemon Grove business rents construction equipment and hand tools with prompt service, pick-up and delivery, free estimates and operators, upon request. Blair resides in Santee with his wife and two children. Previous to the Feb. 1 opening of Construction Rentals, Blair was yard manager for Rent-It-Service, San Diego.

Deddeh's Bill Would Peg School Salaries

Wadie Deddeh, has introduced legislation to protect the rights of teachers from discriminatory salary reductions.

The bill by the former public school teacher has the hearty endorsements of all teacher organizations, Deddeh said.

The proposed law would prevent a school district from lowering the salary of an individual teacher from one year to the next, unless all other teachers in the district were accorded similar treatment. It does not prevent an across-the-boards cut in teacher salaries.

In practice, some districts invoke salary cuts for teachers for failure to maintain a set number of units of college study or district approved institutes during a school year. The Deddeh bill would eliminate this kind of sanction, plus, of course, any discriminatory pay cut against an isolated tenure teacher.

Deddeh said the bill does not hamstring a district because, should the teacher be deemed professionally unqualified to teach, he can and should be dismissed.

For Information

The Lemon Grove Little League parents will host a trip to Hollywood, leaving Lemon Grove at 9 a.m., Mar. 9, from Mayfair Market.

Reservations are to be made prior to Mar. 2. For further infomation phone Mrs. Kenneth Hill, at 465-2197.

Learn Spanish the Easy Way

Hardison's Telespanish

by James Hardison

Words ending in "cion" are like English words ending in "tion." Examples are "accion, educacion, tradicion," all of which look much like their English counterpart except for the endings. Another interesting as well as helpful feature about words ending in "cion" is their effects on the word stress. All words ending in "cion" stress the last sound "on."

Change in word stress is one of the things that makes Spanish words sound so different from the related English word. In English the word "action" is stressed on the first sound and pronounced "AK-shun." In Spanish the word stress for "accion" is on the last sound and pronounced "ank-see-OHN."

Another case in point is the word "attention" in which the word stress is placed on the second sound and pronounced "eh-TEN-shun" and in Spanish, pronounced "ah-tehn-see-OHN" (atencion).

Other words ending in "cion" appear in today's lesson. Read over the expressions and pronounce them from the phonetic guide provided. Then dial 276-2762 where you may hear the same words and expressions repeated on your home elephone. That's right, your home telephone can become your private language laboratory for two minutes each day just by dialing 276-2762 and repeating the words and phases that appear in today's lesson. Try it!

IMPORTANT EXPRESSIONS

Say "Que es le tradicion?"
(keh ehs lah trah-dee-see-OHN)
for "What is the tradition."

Say "La tradicion es educacion." (lah trah-dee-see-OHN ehs eh-doo-kah-see-OHN)
for "The tradition is education."

HOUSEHOLD EXPRESSIONS

Say "Es admiracion." (ehs ahd-mee-rah-see-OHN)
for "It is admiration."

Say "No es alteracion." (noh esh ahl-tehr-rah-see-OHN)
for "It is not (an) alteration."

TRAVEL EXPRESSIONS

Say "El esta en vacacion." (ehl eh-STAH ehn vah-kah-see-OHN)
for "He is on vacation."

Say "Que contemplacion." (keh kohn-tehm-plah-see-OHN)
for "What (a) contemplation."

Burgener to Meet With County Groups

State Senator Clair W. Burgener will address a group of San Diego County organizations at 1:30 p.m. Saturday, at the Stardst Hotel. Board members of all organizations dealing with children have been invited to the one-day meeting to acquaint them with county-wide services.

Wiliam T. Gray, executive director of the Mental Health Association, has charge of arrangements.

NOTICE OF PROPOSED CHANGE OF ZONE CLASSIFICATION

A public hearing will be held by the San Diego County Planning Commission in Room 310, San Diego County Administration Center, 1600 Pacific Highway, San Diego, California, on Friday, March 10, 1967, at 9:30 a.m., on a proposal to reclassify all or part of the hereinafter described property in the La Presa Zoning District from R-3, Residence Zone, to R-P, Residential Professional Zone, and to C, Business Zone, or a more restrictive zone, in accordance with The Zoning Ordinance of the County of San Diego.

Said property contains about 1.5 acres and is located on the west side of Elkelton Boulevard between Crestmore Avenue on the south and Ashmore Avenue on the north, with a depth west of Elkelton Boulevard of about 140 feet.

The area requested for R-P Zone contains about .90 of an acre, on Lots 495 thru 498 of Spring Valley Estates Unit No. 3, according to Recorded Map Number 4158. The remaining area is requested for C Zone on Lots 493 and 494; and Lots 499 and 500 of Spring Valley Estates Unit No. 3, according to Recorded Map Number 4158.

Said hearing will be held pursuant to the application of Norton B. Randall on file in the office of said County Planning Commission, Room 207, County Administration Center, San Diego, to which reference is made for further detail. At said hearing any interested person may appear and be heard.

SAN DIEGO COUNTY PLANNING COMMISSION

Secretary

S.V. Bulletin Feb. 23

NOTICE TO BIDDERS

NOTICE IS HEREBY GIVEN that the LEMON GROVE School District of San Diego County, California, acting by and through its Governing Board, hereinafter referred to as the District, will receive up to, but not later than 2:00 o'clock p.m. of the 9th day of March, 1967, sealed bids for the award of a contract for a lease for a period of one year, with option to renew for two successive years at one year intervals and with an option to purchase, of 12-row, 72 passenger Transit Type School Bus.

Each bidder shall agree in his bid to purchase One (1) 1948, 8-row, 57 passenger Conventional Type School Bus and to remove same from the school grounds and shall state in his bid the amount which he will deduct from the amount bid for leasing new buses. Such bids shall be received in the office of the Governing Board of said District located at 8025 Lincoln Street, Lemon Grove, California, and shall be opened and publicly read aloud at the above stated time and place.

Each bid must conform and be responsive to this invitation, the Information for Bidders, the Specifications, the Plans, if any, and all other documents comprising the pertinent Contract Documents and must be accompanied by the Security referred to therein. Copies of the Contract Documents are on file and may be obtained in the office of said Board at the above address.

The District reserves the right to reject any or all bids, or to waive any irregularities or informalities in the bids or in the bidding. Preference will be made in the award for California made supplies, pursuant to Sections 4330 to 4334, inclusive, Government Code.

No bidder may withdraw his bid for a period of thirty (30) days after the date set for the opening of bids.

Resolution of intention to Dedicate to the County of San Diego an Easement of Right of Way over and across Real Property belonging to the GROSSMONT UNION HIGH SCHOOL District . . .
Road Survey No. 1477-66
Parcel No. 66414

On motion of Member Goode seconded by Member Svalstad, the following resolution is adopted:

WHEREAS, the GROSSMONT UNION HIGH SCHOOL DISTRICT of San Diego County has requested the Road Department of the County of San Diego to relieve the traffic congestion by improving the intersection of Blossom Lane and Sweetwater Road in the vicinity of Spring Valley; and

WHEREAS, in order to improve said intersection, the County of San Diego is acquiring right of way from property owners along Sweetwater Road and has requested this District to dedicate a right of way for public highway across real property belonging to said district adjoining said Blossom Lane and hereinafter described; and

WHEREAS, in the judgment of this Board, it is desirable and expedient that said dedication be made, NOW, THEREFORE,

BE IT RESOLVED by the Governing Board of the GROSSMONT UNION HIGH SCHOOL DISTRICT of San Diego County, California, that this Board hereby declares its intention to dedicate to the County of San Diego an easement of right of way for public street and highway purposes over and across all that real property situated in the County of San Diego, State of California, belonging to said District and more particularly described as follows:

The south 10 feet of the north 30 feet of the west 100 feet of the east 250 feet of Lot 1, Resubdivision of West Avondale, according to Map thereof No. 1456 on file in the Office of the County Recorder of the County of San Diego.

BE IT FURTHER RESOLVED that a public meeting be held by this Board at its regular place of meeting, Grossmont Union High School District board room, Murray Avenue, Grossmont, Calif., San Diego County, California, on March 6, 1967, at 7:30 p.m., at which time and place all persons interested may appear and show cause, if any they have, why said dedication should not be made.

BE IT FURTHER RESOLVED that notice of the adoption of this resolution and of the time and place of holding said meeting shall be given by posting copies of said resolution signed by the members of this Board, or by a 2/3 majority thereof, in three (3) public places in said District, not less than ten (10) days before the date of said meeting and by publishing this resolution once not less than five (5) days before the date of said meeting in the Lemon Grove Review, a newspaper of general circulation published in said County and having a general circulation in said District.

PASSED AND ADOPTED by the Governing Board of the GROSSMONT UNION HIGH SCHOOL DISTRICT of San Diego County, California, this 6th day of February, 1967.

LEGAL NOTICES

Re Grading, Paving, the Construction of Concrete Curbs and) Gutters, the Construction of Ne-) cessary Sewer Lines and Appurtenances, and the Construction of) Necessary Drainage Facilities in) FLORINE DRIVE and CASA) LANE, et al., in the Vicinity of) LEMON GROVE, Area No. 177,) R.I.D. No. 6066, in the Unincorporated Area of the County of) San Diego.

RESOLUTION OF INTENTION

WHEREAS, the report prepared pursuant to Division 4 of the Streets and Highways Code (Special Assessment Investigation Limitation and Majority Protest Act of 1931) covering a proposed street improvement, to wit: Grading, paving, the construction of concrete curbs and gutters, the construction of necessary sewer lines and appurtenances, and the construction of necessary drainage facilities in FLORINE DRIVE and CASA LANE, et al., in the vicinity of LEMON GROVE, Area No. 177, Road Improvement District No. 6066, in a portion of the unincorporated area of the County of San Diego is on file in the office of the Clerk of the Board of Supervisors of the County of San Diego, Room 306, San Diego County Administration Center, 1600 Pacific Highway, San Diego, California, and may be examined at said office; and

WHEREAS, on May 31, 1966, pursuant to said Division 4, the Board of Supervisors of the County of San Diego adopted a resolution by not less than a four-fifths vote of all members that the lands to be assessed will be able to carry the burden of the proposed assessments and that the limitations on the amount of assessments may be exceeded and dispensed with both with respect to the limitations as to the district as a whole and as to individual specific assessments; and

WHEREAS, the Board of Supervisors has designated the County Surveyor of the County of San Digeo as the Superintendent of Streets and the Engineer to perform any and all duties conferred upon the Superintendent of Streets or the Engineer by the Improvement Act of 1911 in connection with the work and improvement and assessment hereinafter described; NOW THEREFORE,

On motion of Supervisor Dent, seconded by Supervisor Boney,

IT IS HEREBY RESOLVED that public interest and convenience require and it is the intention of the Board of Supervisors of the County of San Diego (hereinafter referred to as the Board of Supervisors) to order the following work to be done and improvement to be made, to wit:

The acquisition of necessary lands, easements and rights of way for the hereinafter described improvements. For a detailed description of the easements and rights of way to be acquired, reference is made to the hereinafter mentioned plans, drawings and specifications. The assessment for the cost of all acquisition of lands, easements and rights of way shall be levied as a part of the incidental expenses of this proceeding.

The construction of grading, paving, the construction of concrete curbs and gutters, the construction of necessary sewer lines and appurtenances, and the construction of necessary drainage facilities in: All that portion of Lot 24, Sub. No. 3 in Lot 12 Rho Mission, L.S. No. 5 described as follows:

EASEMENTS: FLORINE DRIVE

Parcel A: A 50-foot strip of land lying 25 feet each side of a center line beginning at a point on the south line of said Lot 24 distant thereon 683 feet from the southwest corner thereof; thence northerly to a point on the north line of said Lot 24, distant thereon 684.23 feet from the northwest corner thereof. Said center line being the southerly prolongation of the center line of Florine Drive as shown on the map of Broadway Gardens, Map No. 5656.

ALSO: Florine Drive and its extension northerly to the north line of London Lane, all as shown on the map of Broadway Gardens, Map No. 5454.

ALSO: That portion of said Lot 24 lying southeasterly of a 20-foot radius tangent curve concave northwesterly, the extremities of said curve being tangent to the west line of Parcel "A" and to the north line of Central Avenue.

ALSO: That portion of said Lot 24 lying southwesterly of a 20-foot radius tangent curve concave northeasterly, the extremities of said curve being tangent to the east line of Parcel "A" and to the north line of Central Avenue.

CENTRAL AVENUE

The north 20 feet of Central Avenue lying 50 feet westerly and 50 feet easterly from the center line of Parcel "A".

EASEMENTS: CASA LANE

Parcel B: That portion of said Lot 24 described as follows: Beginning at a point on the west line of Parcel "A" distant thereon 270 feet northerly from the south line of said Lot 24; thence northerly, northwesterly and westerly along the arc of a 20-foot radius tangent curve concave southwesterly to the end of said curve; thence west 97 feet; thence north 20 feet; thence east 10 feet; thence north 20 feet; thence east 87 feet to the beginning of a tangent 20-foot radius curve concave northwesterly; thence along the arc of said curve to the end thereof, being a point on the west line of said Parcel "A" 350 feet north from the south line of said Lot 24; thence south along the west line of Parcel "A" to the point of beginning.

PARCEL "C"

A 52-foot strip of land lying 26 feet each side of a center line beginning at a point on the west line of said Lot 24 distant thereon 310 feet north from the southwest corner thereof; thence east 550.91 feet to the west lines of Parcel "B".

PARCEL "D"

Beginning on the west line of said Lot 24 distant thereon 310 feet north of the southwest corner thereof; thence east 49 feet; thence southerly 26 feet to the TRUE POINT OF BEGINNING; thence along the arc of a 48-foot radius curve concave northeasterly; thence along the arc of said curve to the end thereof at a point on the north line of Parcel "C"; thence south 52 feet to a point on the south line of Parcel "C"; thence westerly along said south line to the TRUE POINT OF BEGINNING.

All of the said work hereinbefore generally described shall be constructed in the manner, to the grades, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor, contained in Document No. 384066, on file in the office of the Clerk of said Board of Supervisors and copies of which are on file in the office of said Engineer, and by this reference thereto, all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Board of Supervisors hereby determines and declares that serial bonds shall be issued to represent each assessment of Fifty Dollars ($50) or more remaining unpaid after the last date for payment of assessments, as specified in the statement provided by Section 5390 of the Streets and Highways Code of the State of California. Said statement shall be mailed to each property owner within the assessment district at least thirty (30) days prior to the last date for payment of assessments. Said serial bonds shall extend over a period ending nine (9) years from the second day of January next succeeding the next September first following their date, and an even annual proportion of the principal sum thereof shall be payable, by coupon, on the second day of January every year following the next September first after their date until the whole is paid. Said bonds shall bear interest at the rate of six per cent (6%) per annum, interest payable semi-annually, by coupon, on all sums unpaid until the whole of said principal and interest is paid; and said bonds shall provide that if said bonds are redeemed before maturity and before commencement of proceedings for sale, in addition to all other sums unpaid and accrued, a premium of five per cent (5%) of the unmatured principal shall be paid. Said bonds shall be issued and the principal, interest and premium shall be paid under and in pursuance of the Improvement Act of 1911 and amendments thereto.

The contemplated work and improvement herein before mentioned is, in the opinion of said Board of Supervisors, of more than local and ordinary benefit to the public and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Board of Supervisors does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to wit: All that real property in the County of San Diego included within the exterior boundary lines of said district as shown upon that certain map bearing Improvement Act Area No. 177 indicating the exterior boundary lines of such district, which map, approved by said Board of Supervisors, is on file in the office of the Clerk of said Board of Supervisors of the County of San Diego as Document No. 384065, excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to the map for a full and complete description of the assessment district and the map shall govern for all details as to the extent of the assessment district.

The said Board of Supervisors has heretofore directed the Superintendent of Streets in accordance with Section 5254.5 of the Streets and Highways Code to include in the contract a provision for liquidated damages in case the work called for under the contract is not completed within the time limit as prescribed by the specifications and contract (or such extension of time as may be granted by said Board), and has fixed the sum of $25.00 per day for each and every calendar day's delay in completing the work in excess of the number of calendar days prescribed.

It is the opinion of said Board of Supervisors that the public interest will not be served by allowing the property owners to take the contract for the work to be done under these proceedings.

NOTICE IS HEREBY GIVEN that on Tuesday, the 7th day of March, 1967, at 11:00 o'clock a.m., in the chamber of the Board of Supervisors of the County of San Diego, Room 310, San Diego County Administration Center, 1600 Pacific Highway, San Diego, California, any and all persons having any objections to the proposed work or improvement, to the grade at which said work is to be done, or to the extent of the district to be assessed to pay the costs and expenses of said proposed work or improvement, may appear before said Board of Supervisors and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

Such protest, if any, must be in writing and must contain a description of the property in which each signer thereof is interested, sufficient to identify the same, and shall be delivered to and filed with the Clerk of the Board of Supervisors of the County of San Diego, in Room 306 of said San Diego County Administration Center, not later than the hour hereinabove set for hearing. No other protests or objections will be considered. If the person signing the protest is not the owner shown on the last equalizied assessment roll, the protetst must contain, or be accompanied by, written evidence that such signer is the owner of the property.

The Clerk of this Board of Supervisors is hereby directed to cause this Resolution of Intention to be published twice in the Lemon Grove Review, the newspaper hereby designated for that purpose by this Board.

The Clerk of this Board of Supervisors is hereby directed to mail notice of the adoption of this Resolution of Intention, postage prepaid, to all persons owning real property proposed to be assesed, whose names and addresses appear on the last equalized County Assessment Roll, or as known to said Clerk, all in the time, form and manner required by law; if property assessed by the State under Section 14 of Article XIII of the Constitution is proposed to be assessed, such notice shall be mailed to every owner of such property at the address thereof shown on the last board roll transmitted to the County Auditor as required by Section 5070, Streets and Highways Code.

The Clerk of this Board of Supervisors shall, upon completion of the mailing of said notices, file with this Board an affidavit setting forth time and manner of the compliance with the above requirements for mailing such notices.

The Superintendent of Streets shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet (300') in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the office of the Clerk of this Board of Supervisors and affidavit showing the posting of said notices of improvement.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911" and amendments thereto.

PASSED AND ADOPTED by not less than a four-fifths vote of all members of the Board of Supervisors of the County of San Diego, State of California, this 7th day of February, 1967, by the following vote:

AYES: Supervisors Gibson, Boney, Dent, Austin and Cozens
NOES: Supervisors None
ABSENT: Supervisors None

SERVICE NOTES

FIREMAN STEPHENSON

Electrician's Mate Fireman Ronlad V. Stephenson, USN, son of Mrs. C. E. Leach of 9000 Campo Road, Spring Valley, has reported aboard the world's largest warship, the nuclear powered attack aircraft carrier Enterprise.

The 90,000-ton warship has just completed 30 days "on the line" as a Seventh Fleet attack carrier conducting air strikes against supply route and military complexes in North Vietnam.

Stephenson joined the carrier's 5,000 man crew during the ship's rest and relaxation period in Subic Bay, Philippines.

AIRMAN MCKENZIE

Larry C. McKenzie, whose mother is Mrs. Moya L. Penrod of R.R. 3, Vienna, Ill., has been promoted to airman first class in the U.S. Air Force.

Airman McKenzie is a radar repairman at Chandler Air Force Station, Min. He is a member of the Air Defense Command which provides aerospace defense against hostile aircraft and missiles.

McKenzie, a graduate of Vienna High School, attended San Diego State College.

His father, Harry C. McKenzie, resides at 3138 Massachusetts Ave., Lemon Grove.

SUBMARINER — Lt. Robert H. Briggs, USN, stationed at the U.S. Navy Electronics Laboratory as the assistant officer in charge of an Advanced Computer Complex, will soon be transferred to Ballast Point, the Navy's submarine support facility. Briggs has spent 12 years aboard subs, previous to his NEL attachment. Briggs resides at 9832 La Cresta Rd., Spring Valley with his wife Virginia, and four daughters, Annette, Ruth, Esther and Donna.

PRIVATE SPRAGUE

Marine Private First Class John D. Sprague, son of Mr. G. L. Sprague of 6665 Mac Arthur Drive, Lemon Grove, recently participated in a three-day ship-to-shore exercise as a member of the Second Amphibian Tractor Battalion, Force Troops, Fleet Marine Force, Atlantic here.

The exercise, named FLEX-EX was conducted by Marines from Onslow Beach at Camp Lejeune to increase their individual combat proficiency.

Included in the three days of training was wet-net loading, and embarking from the tank landing ship Terrebonne Parish, beach assaults, and swamp patrolling.

LM Rec. Dept. Forms Tennis Association

All boys and girls fifteen years old and under in the east county area, interested in joining Little League Tennis, contact the La Mesa Recreation Department at 469-4128.

A team is being formed from youngsters in this area to compete in the San Diego County Little League Tennis Association now being formed.

Red Cross Seeks To Double Funds

"Join Up, Join In" is the call for next months membership drive for the Helix Branch of the American Red Cross which serves the communities of Spring Valley, Lemon Grove and La Mesa.

The drive this year seeks to more than double the membership funds over last year. Last year $2,600.00, was collected in memberships, and a total of $5,000. is being sought this year, said Col. Charles Mosse, chairman.

When a Heart Fund volunteer rings your doorbell—Give —So More Will Live!

Mail Bag

Dear Editor:

We are not surprised at the objections to Dr. Wiliam J. McCandless' appointment to the State School Board. He is a God-fearing man who believes little children should be permitted to pray, and such convictions are bound to bring objections.

Dr. McCandles still holds to the ideals that honesty, thrift and hard work are virtues. To many so-called liberals, these qualities are vices.

As to his educational philosophy, he still belives that reading, writing and arithmetic are basic subjects. This will also create objections from certain quarters.

In the La Mesa-Spring Valley School District every day a quiet time is provided during which children and teachers may pray, meditate or think. Also, the District policy gives encouragement toward prayer. This policy was enacted at the first Board meeting following Dr. McCandless' coming to the Board. Anti-God and anti-prayer people are still infuriated because of this.

At the present time plans are being made for the anti-prayer people to have some more members elected at the April election and they hope to abolish the present prayer policy sometime after the first of July. So Dr. McCandless continues to be criticized.

Personally, I have known him for several years. He is a fine Christian gentleman. He is not a member of my Church or denomination. We need more men like him in office to do more good and consequently create more criticism from evil or unknowing people.

Rev. Lewis E. Ginn
2300 Bancroft Drive
Spring Valley, Calif.

Former member of La Mesa-Spring Valley School Board.

Nuclear Station Nearly Ready To Go

SAN CLEMENTE — This week marks the start of the third year of operation for the Nuclear Information Center, adjoining the San Onofre Nuclear Generating Station, five miles south of San Clemente on Highway 101.

Since opening Feb. 19, 1965, the center has attracted 215,487 visitors. Of this total, 109,539 persons visited during the past year.

The dome-shaped information center building, which complements the 140-foot-diameter steel containment sphere of the nuclear generating plant, contains numerous audio-visual displays that explain nuclear energy and point up its peaceful applications.

The center is open daily between 9 a.m. and 5 p.m.

The station is being built by SDG&E and Southern California Edison Company. It is scheduled to become operational later this year. The plant will have a generating capacity of 450,000 kilowatts.

Karate Classes Held at Helix

Karate classes will begin on March 9 and continue for an 8 week course. Sponsored by the La Mesa Recreation-Park Department, these classes are being offered to interested participants 14 years of age and up.

Lessons will be held from 7:30 p.m. to 8:30 p.m. on Thursdays at Helix High School, 7323 University Avenue, La Mesa.

Registration may be made at the La Mesa Recreation Center before March 2 or at the first night of class. A fee of $4 for the series of 8 lessons is charged.

For further information, contact Skip Fenn, by calling 469-4128.

Tuberculosis & Health Assn. Press Project Results Told

Best overall coverage in the 30th Annual School Press Project of the Tuberculosis & Health Assn. of San Diego County was given by the newspapers of Mission Bay High School, San Diego, and Lincoln Junior High School, Vista, Dr. Robert Rosen, Lemon Grove-Spring Valley area chairman of the local Christmas Seal agency reported.

Rosen explained the purpose of the project is to encourage responsible citizenship and higher standards in school journalism and to alert youth to its responsibility for its own and neighbor's health.

Open to all schools in the county, competition was in three areas:

1. Tuberculosis.
2. Other respiratory diseases—including specific problems such as cigarette smoking and air pollution.
3. Health carers.

Entries were judged by the San Diego chapter of Sigma Delta Chi, national juornalism society. Findings were:

High school entries dealing with respiratory diseases — best news story, **Cross Currents,** Cathedral Girls', San Diego; second best news story, **The Dispatch,** Morse, San Diego; best feature story, **The Clarion,** Granite Hills, El Cajon; second best feature story, **The Talon,** Madison, San Diego; best cartoon, **The Beachcomber,** Mission Bay, San Diego; second best cartoon, **The Talon.**

High school entries dealing withh ealth careers — best feature story, **The Beachcomber.**

Junior high school entries dealing with respiratory diseases — best editorial, **The Falcon,** Hilltop, Chula Vista; second best editorial, **The High Tide,** Earl Warren, Solana Beach; third best editorial, **The Cobra Cry,** Lincoln, Vista.

Junior high school entries dealing with tuberculosis — best feature story and best cartoon, **The Cobra Cry.**

Liquefied natural gas is being considered for a variety of uses, including fuel for supersonic transport airplanes.

Last Day To Register

Generally considered an "off year" for elections, 1967 will, never-the-less offer several important elections.

In order to be able to participate in these elections, a person must be registered to vote 54 days before the election. Those eligible to register to vote must have lived in the State of California one year, in the County of San Diego 90 days, and at their present residence 54 days prior to the day of election; must be 21 years of age, a citizen of the United States, able to read the Constitution in the English language, and write his or her name.

The following schedule shows the final day to register for the various coming elections: February 23rd, all Governing Board Elections, except San Diego Unified School District and Chula Vista City School District. July27th, City of San Diego Municipal Primary. September 14, City of San Diego General Municipal.

Defensive Driving Month Set By SD Traffic Safety Council

A proclamation declaring February 16 through March 16 as "Defensive Driving Month" was issued Tuesday, Feb. 14, 1967, by the Board of Supervisors.

In the proclamation, handed to Dr. Thomas Lyons, president of the San Diego County Traffic Safety Council, by Supervisor Robert Cozens, the Supervisors urged all licensed drivers in the County to "take advantage of the National Safety Council's Defensive Driving Courses now being made available by the Traffic Safety Council to improve your driving skills."

The 8-hour "DDC" (Defensive Driving Course) has been officially adopted for state employees by eleven Governors, and countless city and county officials throughout the United States, including Chula Vista, National City and Escondido. The Marine Corps Recruit Depot has incorporated the entire "DDC" course into their Drive-Safe school, and to date has graduated over 1,000 marines.

In an effort to bring the Course to as many drivers as possible, the Traffic Safety Council, in cooperation with the Junior Women's Club has scheduled a series of public classes to be offered throughout the county.

At the Supervisors' meeting, Sheriff Joseph O'Connor told the Supervisors that he is "assigning 20 of his top deputies to take an Instructor's Course to be held in the Sheriff's Office Classroom on March 1 and 2." "These men will then be available to teach other classes throughout the county," said the Sheriff.

Licensed motorists interested in enrolling in the Course are urged to contact the Traffic Safety Council office at 538 Land Title Building, San Diego, 234-6115. A $3 registration fee will be charged to cover the cost of the materials.

Employers Contribute To Unemployment Fund

Contributions to the state's unemployment insurance fund by California employers rose to an all-time high in 1966.

J. Richard Glade, executive vice-president of the Unemployed Insurance Association, an organization of California employers and trade associations, stated that the Department of Employment's monthly report to the Governor indicates the state's employers were taxed a record $600-million in the past year.

Glade emphasized that the entire amount had been paid by employers with "not one penny being withheld from employees' checks."

The UIA executive disclosed that $540.5-million was paid to the state's unemployment fund, while an additional $60-million had been contributed to the federal government's fund.

Glade also pointed up the fact that the entire unemployment insurance program in California was paid for by employers, including administrative expenses as well as benefit payments.

Our state's employers paid over $100-million more for unemployment insurance than did the employers of New York, descpite New York's larger "work force". according to Glade.

Mickey's Missiles Recruits Members

Mickey's Missiles, a newly organized girls AAU Track & Field Team, is now recruiting new members. Audrey Patterson Tyler, voted outstanding woman athlete of the United States in 1948 and representing the U.S. at the 1948 London Olympics, is coaching the team.

The team works out every Saturday morning in Balboa Stadium, 9 a.m.-12 p.m.

For further information phone R. I. Smalley at 274-3033 or 234-8338.
